

# Cub Scout SUMMER CAMP

*Are you ready for a summer of adventure?*

**Your Scout's summer shouldn't be spent on the couch playing video games.** It should be spent having the time of his life with his best friends. Cub Scout Summer Camp is the perfect opportunity to fill your son's days with fun activities, and his nights sleeping under the stars at Camp Agawam.

Summer camp is one of the best parts about being a kid! Playing outside, learning life-long skills, taking a walk in the woods and building new friendships are a blast. Every day is an adventure at Camp Agawam where boys ages 6 to 10 will have the experience of a lifetime!

Come see why Cub Scout Camps have been creating lasting memories for thousands of Scouts and their parents.

Here is a sample of our activities:

- ⇒ **BB Rifle**
- ⇒ **Archery**
- ⇒ **STEM Programs**
- ⇒ **Nature Exploration**
- ⇒ **Swimming**
- ⇒ **Boating**
- ⇒ **WeDo Technology**
- ⇒ **Scout Skills**
- ⇒ **Unlimited FUN**
- ⇒ **... and More!**

## MILO!

Milo the Science Rover is a key part of the LEGO Education WeDo program we will be using in our STEM classes.

One example of a project . . . Cub Scouts will learn to build a tad-pole then morph their robot into the stages to become a working frog.

## STEM

Cub Scout Resident Camp expands by leaps and bounds in 2017 with new education programs. Cubs will explore nature, sustainability, science, space, and more through a new four-year curriculum at the Camp Agawam Hoyt Education Center. Each session will have two or more STEM related classes.

**Leader Meeting @ Camp Agawam**
